The weekly Monday Pau Hana Market at Kukui Grove Center is reinvented in partnership with Kauai County Farm Bureau with more variety and a central new location. Proceeds will support our Kauai farmers:

- Now even more Kaua'i-grown farm fresh produce and flowers!
- New farm products and local foods.
- Social-distanced format in the large South Side parking lot.
- New time for after-school and after-work shopping.
- Pick up ingredients or dinner and “eat the season”.
- Shop for local gifts!
